The image shows a web browser window displaying the login page for DreamHost's webFTP service. The page has a blue header with the word "Login". Below the header, there are two tabs: "FTP" (selected) and "SFTP/SCP". The form contains several input fields: "Host:" with the value "94.181.190.26", "Port:" with the value "21", "Username:" with the value "d18632", and "Password:" with a masked password "*****". There is also an empty "Initial Directory:" field. At the bottom, there are three checkboxes: "Passive mode" (checked), "Use SSL (if supported)" (unchecked), and "Keep me logged in" (unchecked). A "Connect" button is located at the bottom right, and a small icon is at the bottom left.
